“ I only knew Don through work and only by phone. Extremely nice gentlemen and very easy to work with. He truly will be missed. My thoughts and prayers are with his family during this time of sorrow.

“ My favorite memory - This was years ago when we were married & back when Don wore his hair a little longer, I came home from work to find the girls & him on the couch each on one side of him just as happy as two little girls could be & him with an ear to ear smile looking Gorgeous. The girls had talked him into letting them doll him up. I will never forget the smile on his face or the girls as I came through the door to find the 3 of them having a blast. There he sat in the middle of having his makeup, lip stick & hair barrettes applied by Danica & Destra without a care in the world of what they were doing to him. I regret I didn't get pictures. We did have some good times & over the past year we talked about some of them & laughed & I encouraged him to fight his hardest fight. Sadly the news came he had days to weeks. Thanks for the memories Don I pray you found peace.
