“ We were neighbors for a little over 5 years. Enjoyed sharing stories every now and then when he'd take a trip to the mailbox we would usually chat for a bit. Wed share stories and i can hear him saying it now "you and me are a lot alike so you understand".. I think he could have been just as stubborn as me :) I would shovel a few of our neighbors driveways and I remember one time when he saw me outside he asked if I did his driveway :) I told him we did :) and wanted to help and it also gave our 9 year old ideas on service projects for school. But he'd tell me "you don't have to do that i have a snow blower". We always thought it was the right thing to do and we loved living next door. He will be greatly missed. So sorry for your loss

“ Don was a great guy and brother Blue Knight. Here's a funny story. In 2017. I was at Doc's Harley Davidson looking for donations for our annual charity golf tournament. As I was leaving I seen this beautiful 2-tone red trike sitting there for sale. Long story short I eventually bought and took pictures of it and posted them on our Blue Knights and Blue Knights Missouri III Facebook pages. I then get a response the trike looked familiar and sure enough it was Don's trike he traded back in. It didn't even dawn me at the time it was Dons. Don is now riding with Heaven 1. You will be missed. .
